

SoCal Select Prep Team 2020

- **What is SoCal Select?**
 - SoCal Select is one of San Diego's premier all-star cheerleading programs and has been dedicated to the development of athletes, both on and off the competition floor, for nearly a decade. As an extension of SoCal TTC, a gym specializing in power tumbling and Olympic level trampoline, SoCal Select offers athletes the opportunity to thrive in an inclusive, family-friendly environment placing safety and positivity as top priorities.
- **What is the Prep Team?**
 - SoCal Select is proud to offer a Prep Team that plans to participate in 1 or 2 local competitions and perform at gym and community showcases. This level team is highly recommended for athletes who have either never been on a competitive team, or who have little or no experience with All Star Cheer. Prep Teams offer significant savings and a lower level of commitment as added benefits.
- **When are practices?**
 - Practices will start the week of 8/23/2020. Practice time is set for Sundays from 3-5 PM. There may be a few additional practices for choreography work throughout the year.
- **What do the kids learn?**
 - Prep Team athletes learn the fundamentals of all aspects of competitive cheerleading such as stunting, tumbling, jumps and motion technique.
- **Do they compete?**
 - We hope to! Our plan is to attend a few local competitions if they are available. The focus on the team is skill building, performance, and preparation for future school or All-Star teams, and competition is an important part of that growth.
- **Current Health Precautions?**
 - Athletes must wear a mask when working with partners/groups where 6 foot distancing is not possible. (Stunts, pyramids, etc)
 - Hand sanitizer must be applied prior to working directly with other athletes.
 - Training involving contact will be limited to 10 minute increments only.
 - All gym doors will be open to allow for the circulation of fresh air, and students must use distance dots when possible.
- **How much does it cost?**
 - Tuition is \$150/ month which will be billed via the parent portal on the 1st of every month. August 2020 will be prorated to 50% and due on 8/23/2020.
 - Tuition does not include travel expenses, training attire, music fee, USASF registration, competition fees and uniform.

- **Estimated Season Tuition and Fees?**

- Monthly Tuition - \$150
- Annual Gym Registration - \$25 Aug-Dec, \$60 renewal in January for all 2021
- Add-On Tumbling Class (optional) \$49 per month
- Practice Attire - approximately \$100 - shorts, shirts, practice bow
- Music Licensing Fee - \$50 estimated
- Performance Uniform - \$120 estimated - top, skirt, bow
- USASF Membership - \$40 - only if competitions happen
- Competition Entry Fees - \$70 - \$125 per competition if scheduled
- Coaching Fees/Team Fees - dependent on competition availability
- Your own personal travel

- **Do I have to sign a contract? Are there penalties or buyouts?**

- Due to the current health situation there are many unknowns that could affect the team. Taking this into consideration we will not require a contract this season. There will be no penalties for missing practice. **If your student is sick please keep them home and contact your coach.** Team fees will be collected per competition with each athlete paying their entry fee and an even percentage of coaching fees. There will be no upfront fees except for tuition, gym registration, practice and performance attire, and music.
